Clarification as to Whether Tests to be passed for Promotions — Corporation

Mysore Government Secretariat | 2073/52 File No | of 195 (3) | [App F III 2

Serial No

The Government Order dated the 9th February 1953 prescribes the tests that have to be passed by the officials working in the Local Bodies and increments due till 1st January 1952 were ordered to be drawn to all those who pass the third test The G O dated 20-8-1953 prescribes the date of accrual of increments in respect of those officials who have been given time to pass tests G O dated 26-12-1953 permitted the official to draw only increments ~~only~~ though they had not passed the tests Therefore it is quite clear that a time limit is given for passing the tests only with the object of drawing increments but not for purposes of either promotion or confirmation If any official has passed all the tests, he has to be preferred while confirming or promoting him in an existing vacancy to that official who has not passed the tests This will encourage officials to pass the tests early, because those who are below these unqualified officials will go above them in case the latter ~~former~~ do not pass the tests early The Commissioner, Corporation of the City of Bangalore will be informed that if certain officials have passed all the tests required, then they may be confirmed or promoted in clear vacancies in preference to those who have not passed the tests A General order will be issued

The Chief Secretary may also be consulted

(11) As per G.O No.L 19338-55/C.M 90-52-2 dated 9 2.1953 and G O No.L.12329-458/C.M 67-53-5 dated 26.12.1953 (Flag P & Q) the officials of local bodies who have not passed the prescribed departmental tests are eligible to draw only increments for a period of 3 years from 9.2 1953 They cannot be either confirmed or promoted till they pass the prescribed tests. But as per G O No E.8523-623 R&PS 3-52-19 dated 22.9.1952 officials who were 45 years of age on 15.6 1951 may be granted exemption by the Head of the Department from passing the departmental tests only for purposes of earning increments and confirmations. If for any reason the exemption so given has to be made applicable for promotion such cases should come to Government If the officials were between 42 and 45 years of age on 15.6 1951 such cases for grant of exemption should be referred to Government.

(12) There is a general question with regard to applying the exemption granted for purposes of increments, confirmations and also promotions and that file has been referred to Public Service Commission for opinion

(13) In the present case the Commissioner, Corporation of the City of Bangalore asks to clarify whether the time limit allowed in G.O dated 26 12.1953 is only for purposes of drawing usual increments or whether it also applies for the confirmation and promotions The Commissioner may be informed that the time limit
